Dear Ms. Montani,

Thank you for your letter outlining First Call Child and Youth Advocacy Society's support for Bill S-209, An Act to restrict young persons' online access to pornographic material.

I sincerely appreciate your organization's advocacy for the protection and well-being of children and youth. Thank you as well for taking the time to contact Members of Parliament in British Columbia to encourage support for this important legislation. Your efforts help raise awareness of the need for stronger safeguards to protect young people from exposure to pornography online.

Thank you again for your advocacy and your commitment to protecting children and youth.

Sincerely,

A handwritten signature in blue ink that reads "Rosemarie Falk".
